

ABDURAHMAN-DURO ALITI

Computer Science Student • Web Developer • Video Editor

+389 76 600 008 | duroalitii@gmail.com | Tetovo, North Macedonia | Driving Licence: Category B

PROFILE

Computer Science student at South East European University with hands-on experience in web development, telesales and professional video editing. Built websites for local businesses, creates and manages digital content, and has participated in coding competitions and hackathons. Combines technical problem-solving with strong communication, creativity and customer-facing experience.

EXPERIENCE

Wedding Video Editor | Studio 21

2026 – Present

- Edit wedding footage into polished final videos using professional pacing, transitions, audio synchronization and color correction.
- Work to deadlines and adapt edits to studio and client requirements using Adobe Premiere Pro and CapCut.

Telesales Sales Representative | A1

Summers 2024 & 2025

- Presented mobile and internet offers to customers, answered questions and supported sales conversions by phone.
- Developed strong communication, negotiation, customer service and goal-oriented sales skills.

EDUCATION

BSc in Computer Science | South East European University (SEEU), Tetovo

2025 – Present • Expected graduation: 2029

High School Diploma | Maarif International Schools, Tetovo

PROJECTS

- Designed and developed responsive websites for local businesses using HTML, CSS, JavaScript and Bootstrap.
- Personal YouTube channel: content creation, video editing, publishing, social media management and performance tracking.
